Discussed possible CEU training at IU Bloomington with SEIONL meeting to follow. Nikki Reed to determine if December 9<sup>th</sup> or 16<sup>th</sup> would work better.

Long discussion regarding international nursing influx and level of competency and preparation for US healthcare system and levels of care. IU Health reported success working through agency and setting them for success to stay long term with possibility of higher percentage of retention of internationally educated nurses.

From round table – IUPUC is preparing to be visited by SSH for second SIM Lab accreditation ( December 2022). IUPUC nursing program to be absorbed by IUPUI. IU Nursing Online program is seeking RNBSN director. Jacquelyn reported her hospital is going through pyxis update. Anne shared developing larger onboarding process to increase staffing in nursing and other areas (MA, phlebotomy, RAD tech) and working with 4 different high schools to highlight programs in healthcare beside nursing.

Shared information for Fall conference at French Lick 10/19-21 2022. Cathy Wichman encouraged members to come to the conference if able. Provides plethora of information for leaders in healthcare, it is close, not as expensive, and is excellent networking opportunity. Always so much to learn.
