

Indiana Organization for Nursing Leadership
Eastern District

The Eastern District Meeting for the 2022-2023 Year:

September 20, 2023 at Leffler Academy or via Zoom

We didn't have a big crowd attend the event; however, the discussion was excellent regarding LPN Model that are being utilized in the acute care facilities. IU Health Ball, Marion Health, and Community Anderson shared their models of care with the attendees and online participants via Zoom.

May 16, 2023 at Leffler Academy and via Zoom

Had eleven individuals in attendance. Great discussion, and guest speakers were from Indiana Organization for Nursing Leadership, new CEO Cathy Wichman and Katie Feley from the Indiana State Nurses Association. Both organizations updated the attendees on the changes, updates, and exciting things coming in the near future. Many questions were asked by the attendees regarding both organizations. ISNA and IONL shared details about their upcoming events for the Fall.

Upcoming meeting in late November or early December to discuss the future and to strategies on how to get new members.

Current Leadership: A Leffler President, A Powell Treasurer

Bank Account: as of 9/20/2023 \$12,854.80

Respectfully Submitted

Amanda R. Leffler, DNP, RN

President, Eastern District IONL
